BiePoST 2024

BIOENGINEERING & TECHNOLOGY POSTGRADUATE SYMPOSIUM

Pioneering The Future of Science and Technology

26TH NOVEMBER 2024
HYBRID SYMPOSIUM

PARTICIPANTS

Biologists • Chemists • Physicists • Industrialists
Environmentalists • Postgraduate Science Students
Interested parties and any of those in the area of of
bioengineering and technologies

TOPICS OF INTEREST

Bioindustrial Technology • Material Science Technology
Wood and Forest Technology • Energy Technology
Minerals Technology

PUBLICATION

All accepted papers will be published in Malaysian
Journal of Bioengineering and Technology (MJBET)

FEES

	Local	International
Postgraduate Student	RM 150	USD 50
